THE EXPERIENCE

A short ride takes you back more than a hundred years to nostalgic times of cowboys and mountain men. An era full of history, art, spirit and passion manifested by the love and appreciation of the land is commemorated at 4 Eagle Ranch.

Homesteaded in the late 1800's, 4 Eagle Ranch served as the center of large cattle and sheep operation. In 1991, it was transformed to accommodate groups and individual guests, providing a taste of genuine Colorado. Our 1,100-acre ranch is surrounded by hillsides filled with sagebrush and mountain flowers, mesa trails where the Ute Indians once spread their camps, open pastures along Alkali creek, beaver ponds and majestic views. Guests will enjoy the finest cooking this side of the Continental Divide, along with numerous activity options from live music to zip lines tours, dance instruction to horseback rides, wagon/sleigh rides to paintball, ATV tours to wine tasting, and making s'mores by the campfire under a star-studded Colorado sky.

4 Eagle Ranch has exceeded client expectations in customizing events to accommodate the diverse interests and needs of corporate events, weddings, rehearsal dinners and family celebrations. Something magical happens when guests join us for an event at our private ranch setting. Let our professional, experienced staff assist you with all the details. Following is comprehensive information to help you with the planning process.

Carriage House	Up to 85	Up to 85
Nelson Cabin	Up to 125	Up to 125

The Carriage House (circa 1925) is where the Welsh family stored their carriages in the winter months. Remodeled in the fall of 2018. The wonderful characteristics of the Carriage House make it a perfect venue for dinner and dancing.

The Nelson Cabin (circa 1890), a sheep barn relocated from Minturn, was converted into a cozy log cabin setting for dining and friendly chats by the open-hearth fireplace. In the winter months, our Sleigh Ride Dinners are hosted in this venue and the ambiance is unparalleled.

The Event Center, built in 2011 has large, rolling windows provide unparalleled views of our wide-open fields and the Sawatch Mountain Range, while also giving the venue an open-air feel.

The Wedding Pavilion has unobstructed views across the ranch to the Sawatch Mountain Range, which offers a perfect setting for wedding ceremonies and other small gatherings.

The Parlor is ideal for small groups. Situated between the Carriage House and the Nelson Cabin, this venue is perfect for an intimate gathering.

The original Homesteader Cabins (circa 1885) complete the setting, as well as a rodeo arena, horseshoe pits, volleyball, steer head roping, corn hole, campfires and the 4E Trading Post.

HERE'S WHAT PEOPLE ARE SAYING ABOUT US . . .

“We had our rehearsal dinner at 4 Eagle Ranch with 100 people and could not have asked for a better experience. The location is beautiful and very fun. Our guests had a great experience and it was fun to be around the fire making s'mores. Kristen and the staff were organized, flexible, and extremely responsive. We held several events for our wedding at various locations and 4 Eagle was the best to work with. I would recommend it to anyone having an event.”

Libby Wilhelm, Rehearsal Dinner

“We feel we picked the perfect venue to have our wedding that showcased the beautiful scenery and western spirit of Colorado and the Vail Valley. This was a great place to share an amazing day with friends and family from across the country from great food, a friendly staff, plenty of fun to be had at the ranch during the reception and a place to dance the night away, we could not have asked for anything better! A great testament we thought to such a special occasion was hearing our friends say that 4 Eagle Ranch was one of the greatest places they had been to for a wedding. Thank you for an incredible day! “

Steve Amerson,

“I love the wide-open mountain views with the animals hanging out in the beautiful scenery...I love the charm of the old buildings with all of the wood and stone... I like the fact that 4 Eagle Ranch is privately owned and I don't feel like just another number.”
